

Erratum: A Comprehensive Analysis of Dermatological Manifestations in Lower Limb Para-Athletes

Andre Abedi, Vera Wang, Devendra K. Agrawal*

Erratum to:

Abedi A, Wang V, Agrawal DK. *A Comprehensive Analysis of Dermatological Manifestations in Lower Limb Para-Athletes*. Archives of Clinical and Medical Case Reports. 2026;10(1):18-25.

PMID: 41923784

PMCID: PMC13038035

Erratum

In the published version of the above article, the **reference list was published incorrectly**. The references appearing in the article did not correspond to this manuscript. The correct reference list is provided below. The online versions of the article, including the HTML and PDF files, should be updated accordingly.

The authors and publisher regret this error.

Funding:

The research work of DKA is supported by the R25 AI179582 grant from the National Institutes of Health, USA. The contents of this article are solely the responsibility of the authors and do not necessarily represent the official views of the National Institutes of Health.
